## WINES & CIDER

ADELAIDE HILLS, AUSTRALIA

Welcome to Kersbrook Hill Wines & Cider. We are a family owned & operated Vineyard, Winery & Cellar Door located in the Adelaide Hills town of Kersbrook. Kersbrook Hill is a premium 5 star producer specialising in premium cool climate wines & cider.

### History:

Kersbrook Hill Wines was established in 1997 by Managing Director Paul Clark with the purchase of the current Kersbrook property.

The first plantings were undertaken in a small 0.4 hectare vineyard site which now supplies the premium Shiraz "Dons Acre".

This initial planting was undertaken to test the suitability of the site, and encouraged by the results, 2 years later more land was purchased and the larger vineyard had 3 hectares planted to Shiraz and 1 hectare planted to Riesling.

In June 2009 Paul and Mary opened the Kersbrook Hill Cellar Door in the Main Street of Kersbrook. We have utilised two existing buildings in Kersbrook that were no longer being used, one being the old Kersbrook CFS Station, the other is the Kersbrook Cold Store - Farmers Co-Op. With a few minor and not so minor modifications we have transformed them into our Cellar Door & Winery. These modifications are still continuing today seeing us make the most of our somewhat limited space.

January 2<sup>nd</sup> 2015 was a day that changed us as people as well as our business as we know it. The Sampson Flat Bush Fire ravaged our Bagshaw Road Property sparing only our family home. The Vineyard burnt, our sheds containing our plant and equipment and so much more. The fire was devastating, but like most things in life there has been so much good to have come out of the fire. We could only look at it as an opportunity to do things better, to make the most of the clean slate we were handed.
